

*Rachel & Alan would like to welcome you to the  
Feversham Arms Inn.*

*This property was originally built as an Inn to serve the Feversham Estate about 1836. We continue to operate as a traditional Yorkshire Inn serving locally sourced food, Yorkshire ales and accommodation throughout the year.*

*We are available to cater for large or small private functions and we hope you enjoy our hospitality whilst you are with us.*

*Inside this menu you will find details of our offering of refreshment and accommodation. Daily specials can be found on the blackboard next to the bar and traditional Sunday lunch is served weekly.*

*If you suffer from a food allergy please discuss your requirements with a member of staff who will be pleased to help you choose a dish to suit your dietary requirements. Please note all dishes are prepared in one kitchen where nut and other allergenic ingredients are used.*

*For all those regular diners. Due to customer feedback we are reducing the size of the portions of chips served with meals. However if you would like extra chips during your meal please do ask and we will happily provide these free of charge.*

*GF = Gluten Free*
