Housewater™ @ The Magpie

Housewater™ has been created to provide you with a choice. Bottled water can be expensive and may have travelled many miles, generating a significant carbon footprint, en route to your table. Tap water is an alternative, however it is often not as appetizing as bottled water. Housewater™ is mains supplied water, freshly filtered and chilled by a high quality unit built to demanding specifications by one of the UK's top manufacturers of beverage equipment.

750ml Sparkling or Still £1.25p
